## **POSITION POSTING**

### **Licensed Veterinary Technician The Toledo Zoo**

The Toledo Zoo is a world renowned facility with a wonderful heritage of buildings from the Work Progress Administration era. The Zoo is home to over 4,835 animals representing over 753 species, with an operating budget of over \$20,000,000. The Zoo is currently recruiting for a full time licensed veterinary technician to assist the veterinary department in all aspects of medical care of the Zoo's collection. Responsibilities include clinical pathology lab procedures, anesthesia monitoring, surgical assisting, hospital & equipment maintenance, computerized record maintenance, diagnostic procedures, treatments and necropsies.

Requirements for the position include completion of a two year approved veterinary technology program with a minimum of six months to one year of postgraduate experience. Must have National Certification and be able to obtain registration in the State of Ohio. The preferred candidate will have previous employment in a zoo with exotic animal clinical experience. Requires a valid driver's license and be insurable by the fleet insurance carrier.

The Toledo Zoo offers a competitive salary, an excellent benefits and time off package and is an AA/EOE and a drug and alcohol free workplace.

For consideration, please submit a resume utilizing only one of the following methods no later than June 15, 2008.
