## Veterinary Healthcare Network

### **LOOKING FOR VETERINARY TECHNICIAN GRADUATES!**

Red Bank Veterinary Hospital Healthcare Network provides a great opportunity for advancement and continued training. Come join our team of highly skilled technicians in providing the best in veterinary care in an atmosphere of caring and concern. Gain experience in all aspects of veterinary medicine in our busy referral and emergency practices. Our network includes hospitals throughout Central and Southern New Jersey. Openings are available due to expanding hours at our Cherry Hill, Hillsborough and Tinton Falls locations.

We are looking for career minded technicians to grow with us. Credentialed or exam eligible technicians preferred. Open positions include general treatment technicians as well as technicians for our emergency, internal medicine, oncology (chemo), and surgery specialties. The RBVH Healthcare Network also provides behavior, cardiology, critical care, dental, dermatology, emergency, neurology, medical oncology (radiation therapy), ophthalmology and physical rehabilitation services. We offer competitive compensation and benefits packages including free life and disability insurance in addition to traditional comprehensive health and 401K plans.

To apply, fax your resume and/or download our application from our website, [www.rbvh.net](http://www.rbvh.net) (go to "join the team"), and fax to (732) 704-9504.
