

**Veterinary Referral Center + Emergency Services** we are currently seeking experienced technicians and/or CVTs for our Emergency and Critical Care Departments. We have full time and part time shifts, including day, mid-shift and overnight hours. Our generous benefit package includes a competitive salary, opportunities for shift differential, health and dental care, 401K, CE compensation, Disability, paid time off and significant personal pet discounts.

**Veterinary Referral Center + Emergency Services** (VRC) is located in the serene suburbs of Chester County, 30 miles west of Philadelphia. We are celebrating our 3<sup>rd</sup> year anniversary in our 23,000 sq. foot state of the art facility. Our team is comprised of 16 doctors, many specialized in their field. Our highly qualified nursing staff contributes to the fun atmosphere while providing exceptional nursing care to our patients. Like our doctors, many of our nurses have achieved or are seeking specialty certification. VRC offers a 24-hr emergency service with dedicated critical care unit opening in March of 2008. Other specialties within our practice include: Internal Medicine, Radiology, Dermatology, Cardiology, Orthopedic and Soft Tissue Surgery, and Dentistry. Please view our nursing page at [www.vetreferral.com](http://www.vetreferral.com) today!

For more information, please contact Amy Shields, CVT at 610-647-2004 ext 157 or email at [ashields@vetreferral.com](mailto:ashields@vetreferral.com).
