Veterinary Technician Review Course: Preparatory for the Veterinary Technician National Exam

Instructor:

Tricia Luddecke, BA, CVT

Times and Dates:

Saturdays 9AM—12PM

January 7—February 25, 2012

Location:

Manor College Campus. Room TBA

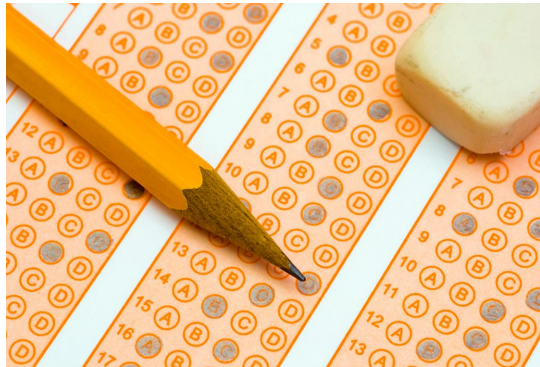

Required Textbooks:

Colville, T. P. (2009). Review Questions & Answers for Veterinary Technicians, 4th ed.

Tighe, M. M. & Brown, M. (2008). Mosby's Comprehensive Review for Veterinary Technicians, 3rd ed.

Recommended Textbook:

McCurnin, D. M. & Bassert, J. M. Clinical Textbook for Veterinary Technicians, 6th or 7th edition

This course will prepare the student for the VTNE by reviewing the basics of veterinary science and technology. A discussion of study strategies and test-taking tips is also covered.

The approach to teaching includes lectures, discussions, weekly homework and reading assignments.

Students will be given rapid fire multiple choice questions similar to those found on the VTNE to allow them to see which areas they need to focus additional review time on independently.
